About Us

Mission and values

WiBF is a non-profit membership association dedicated to boosting the presence of women in leadership roles within the banking and finance sector. Our diverse corporate members span the entire industry, from major Australian and international banks through to mutuals, insurers, investment managers, super funds, professional services, financial regulators, fin-techs, treasury, exchanges and corporates servicing the sector. We prioritise gender diversity as a key driver of business success, emphasising a passion for creating real change, collaborative partnerships with our members, and a commitment to achieving results through innovation.

What we do

WiBF creates smart and innovative business opportunities for its members, through customised education programs, in-person and virtual events and strategic networking sessions to assist members in meeting their business objectives.
